## What can I do in 2 minutes?

How many goals can you score?	
How many skittles can you knock down?	
How many skips with a rope can you do?	
How many jumps can you do?	
How many hops can you do?	
How many bounces of a ball can you do?	
Running in and out of cones, how far can you go?	
How many crosses (x) can you write?	
How many numbers can you write starting from 0 1 2....?	
How many times can you take your coat on and off?	
How many words can you write?	
Using a construction kit what can you build?	

1 — 2	3 — 4
1 —	1 — 4

## Fairy Cakes

Makes about 18 cakes.

4 oz (100g) soft margarine

4 oz (100g) caster sugar

2 eggs

4 oz (100g) self-raising flour

1 teaspoon baking powder

- Pre-heat the oven to  $200^{\circ}\text{C}$  /  $400^{\circ}\text{F}$  / Gas 6.
- Place about 18 paper cases in bun tins.
- Measure all the ingredients into a large bowl and beat well for 2-3 minutes until the mixture is well blended and smooth.
- Half fill the paper cases with the mixture.
- Bake in the pre-heated oven for about 15-20 minutes until the cakes are well risen and golden brown.
- Lift the cakes out of the bun tins and cool on a wire rack.
